China Earthquake Crisis:  
Emergency Funds Urgently Needed!

Dear Ms. Sample,

We urgently need your help. The catastrophic earthquake in China's Sichuan Province has killed more than 34,000 people – and this number increases daily.

The number of people who are injured or missing is truly overwhelming.

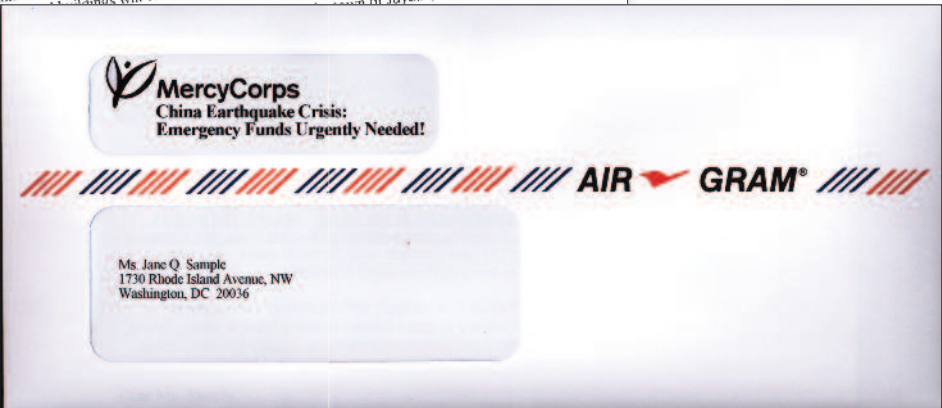

Ms. Sample, the scope of this tragedy is incomprehensible. At least 4.8 million men, women and children have lost their homes. Many are sleeping in the streets because they are afraid their children will cave in on them.

Entire villages have been destroyed. In the case of Jiyuan, only one of the 900 children survived.

The supplies of food, water, and shelter are shattering.
